### THE CHALLENGE

Transform unimproved tenant space into a premium fitness and wellness environment that supports multiple training modalities while creating a welcoming client experience.

### THE SOLUTION

Alpha Omega delivered a complete interior build-out featuring custom millwork, specialized fitness studios, upgraded mechanical and electrical systems, ADA accessibility improvements, and modern architectural finishes throughout.

### THE RESULT

A high-end boutique fitness facility designed to enhance the member experience while providing a flexible, efficient environment that supports long-term business growth.

Every Alpha Omega project benefits from the collective expertise of our estimating, operations, compliance, accounting, project management, and field teams—**working together to deliver outstanding results.**

ONE TEAM. ONE PROCESS. ONE GOAL. YOUR SUCCESS.
